

GST CONFERENCE 2017

Driving Towards Greater Tax Governance

18 & 19 September 2017 (Monday & Tuesday),
Kuala Lumpur Convention Centre, Kuala Lumpur

Effective and efficient tax collection is a key pillar supporting the nation's socioeconomic development.

Moving forward, regulators have to improve GST governance and processes to ensure that taxpayers discharge their responsibility of paying tax while educating them on the importance and contribution of their taxes.

Since the inception of GST on 1 April 2015, the country has moved smoothly to accept the new consumption tax regime. As GST matures, it is expected that improved enforcement and governance will see an increase in GST collection as well as audit activity by the Royal Malaysian Customs Department to ensure compliance.

Our annual GST Conference, jointly organised by the Malaysian Institute of Accountants and the Royal Malaysian Customs Department, once again tracks the latest regulatory developments, best practices and challenges in applying the GST.

Find out more about how tax authorities are actively adapting their enforcement strategies, focus and policies to encourage compliance while stimulating business. At the same time, learn more about how businesses can balance regulatory compliance while delivering sustainable value to stakeholders.

Section 170 GST Act 2014

11:15am	SESSION 2. COMMON ISSUES IN GST IMPLEMENTATION (PANEL SESSION) This session discusses both the common and different challenges and issues faced by various key industries and companies in implementing GST. It is essential that stakeholders stay abreast of the new developments to ensure that businesses optimise their GST compliance and to improve public confidence in the system. Regulators are keenly aware of these challenges and aim to enhance GST education and provide adequate information to the public in order to protect their interest and build confidence in the GST system. PANELLISTS: Yap Lai Fan <i>Tax Executive Director, PricewaterhouseCoopers Taxation Services Sdn Bhd</i> Sathya Kumar <i>CEO & Founder, Tycoon+ Advisors</i> MODERATOR: Chow Chee Yen <i>Executive Director, Advent MS Tax Consultants Sdn Bhd</i>
12:30pm	Lunch
2:00pm	SESSION 3. A DIALOGUE WITH THE TITANS OF THE MALAYSIAN TAX ARENA Taxation is critical to nation-building because it represents one of the main sources of government income and is used to finance government expenditures. This session features leading regulators from the RMCD and the IRBM who are expert in the policy and implementation of direct and indirect taxes, and will highlight how these are deployed to benefit national development. Simultaneously, this session will explore the current Malaysian tax landscape and developments to update participants on their tax knowledge and the tax profession. PANELLISTS: Dato' Sri Subromaniam Tholasy <i>Director-General, Royal Malaysian Customs Department</i> Datuk Sabin Samitah <i>Chief Executive Officer, Inland Revenue Board of Malaysia</i> MODERATOR: SM Thanneermalai <i>Managing Director, Crowe Horwarth KL Tax Sdn Bhd</i>
3:15pm	SESSION 4. GST IMPLICATION AND RESTRUCTURING ARRANGEMENT TO COMPLY WITH ANTI-AVOIDANCE LAW Tax liabilities constitute a direct cost of doing business. Thus, minimising tax exposure through tax planning is an important aspect of business strategy and management. Meanwhile, from the perspective of revenue authorities, it is equally important to counter tax avoidance. Hence, most tax jurisdictions include anti-avoidance provisions in their tax laws to defeat or pre-empt anticipated avoidance schemes, mischief, or to plug loopholes that have come to light. Similarly, business transactions involving GST must be scrutinised thoroughly to ensure that any business arrangement or structures will not be accused of GST avoidance. This session provides guidance on how businesses can best comply with GST anti-avoidance law. SPEAKER: Tan Eng Yew <i>Indirect Tax Leader, Deloitte Malaysia</i>
4:00pm	Afternoon Refreshments & End of Day 1

DAY 2

8:00am	Welcome Refreshments
9:00am	SESSION 5. CORPORATE GOVERNANCE OF GST COLLECTION (PANEL SESSION) The government has gone the extra mile to enhance GST governance and transparency in order to create positive public and stakeholder perception of this new taxation system. This session discusses the government's efforts to improve governance and accountability in its GST collection initiatives, and analyse how GST is being utilised to improve the national economy and social wellbeing and help the nation to achieve high income status. PANELLISTS: Dato' Chua Tia Guan <i>Founding Member, PEMUDAH</i> MA Sivanesan <i>Deputy UnderSecretary (Indirect Tax & GST Policy Sector) Tax Division, Ministry of Finance, Malaysia</i> Wan Suhaimie Wan Saidie <i>Head of Economic Research, Kenanga Investment Bank Berhad</i> MODERATOR: Umapagan Ampikaipakan <i>Producer/Presenter, BFM 89.9</i>
10:15am	Morning Refreshments & Networking
10:45am	SESSION 6. GST ON CROSS BORDER TRANSACTIONS AND DIGITAL ECONOMY (PANEL SESSION) From policy perspective, GST is characterised as a consumption tax and thus the tax treatment is prescribed based on the place of consumption. Mistakes, oversight, incomplete documentation in relation to cross-border transaction leads to costly adjustments (zero-rated vs standard rated) during GST audits. This panel session highlights the practical issues involved in GST treatment for import and export of goods and services in relation to conventional transactions as well as the digital economy. PANELLISTS: Aaron Bromley <i>Indirect Tax Partner, Ernst & Young Tax Consultants Sdn Bhd</i> Larry James Sta Maria <i>Senior Tax Manager-Group Tax, Sime Darby Berhad</i> Dato' Paddy Abd Halim <i>Deputy Director General of Customs (Customs & GST), Royal Malaysian Customs Department</i> Fan Kah Seong <i>Director, PKF Malaysia</i> MODERATOR: Thenesh Kannaa <i>Partner, TraTax</i>
12:00pm	SESSION 7. DISCERNING RECENT JUDICIAL TRENDS BEFORE THE GST TRIBUNAL & COURTS The GST Tribunal has established that it would be illegal for the Director General (DG) to impose additional requirements outside the expressed provisions of the GST Act and the GST Orders. Further, the GST Tribunal reaffirmed that any power of authority should only be exercised within the limits set by statute. In view of the increased intensity of GST-related audits, it is important to note that taxpayers may challenge the DG before a court of law. The GST Tribunal provides a reassuring safeguard against any overreach in legal authority by an increasingly collections aggressive Customs. Don't miss this discussion on the legal analysis of issues and challenges that arise before the GST Tribunal and Courts. SPEAKER: Saravana Kumar <i>Partner, Lee Hishammuddin Allen & Gledhill</i>
12:45pm	Lunch
2:15pm	SESSION 8. ENFORCEMENT AND COMPLIANCE ON GST Given the RMCD's continuing emphasis on GST enforcement and compliance, audit activity is expected to increase as part of the continuation of the Customs Blue Ocean Strategy (CBOS) launched last September. However, the RMCD intends to take a lighter hand in GST audits this year. More time will be spent understanding businesses and helping them with their problems instead of immediately taking a more punitive approach. Find out how RMCD can assist and guide in understanding your business as well as helping you in solving the issues that may arise, while at the same time remain focused and in compliance. SPEAKER: Zaizah Zainuddin <i>Deputy Director of Customs (Compliance), Royal Malaysian Customs Department</i>
3:00pm	SESSION 9. GST REIMBURSEMENT & DISBURSEMENT-PRACTICAL ISSUES AND CROSS BORDER TRANSACTIONS (PANEL SESSION) The correct GST treatment for the reimbursement and disbursement of expenses is crucial to all GST-registered businesses, in order to avoid costly penalties and the liability to fund any shortfall arising from the failure to charge GST. This session aims to guide businesses on the correct implementation of GST treatment to achieve maximum savings, and will also discuss the practical GST issues involved in cross border supply of goods and zero-rating for services' invoices to foreign customers. PANELLISTS: Arne Midelfart <i>Head of Tax Department, Digi Telecommunications</i> Ng Sue Lynn <i>Executive Director-Indirect Tax Services, KPMG Tax Services Sdn Bhd</i> Juriah Noor Juhari <i>Senior Assistant Director of Customs I, Royal Malaysian Customs Department</i> MODERATOR: Tiffany Tang <i>Managing Partner, Treasure Mind Sdn Bhd</i>
